27% of our revenue came from our generous sponsors. We would not be as successful in our outreach and scholarship endeavors with out these investors.

DID YOU KNOW...

- We do not have salaried employees or a brick & mortar location.
- Profit from our events goes directly back to our community.
- A majority of our members volunteer with other nonprofits.

SCHOLARSHIP AWARDS

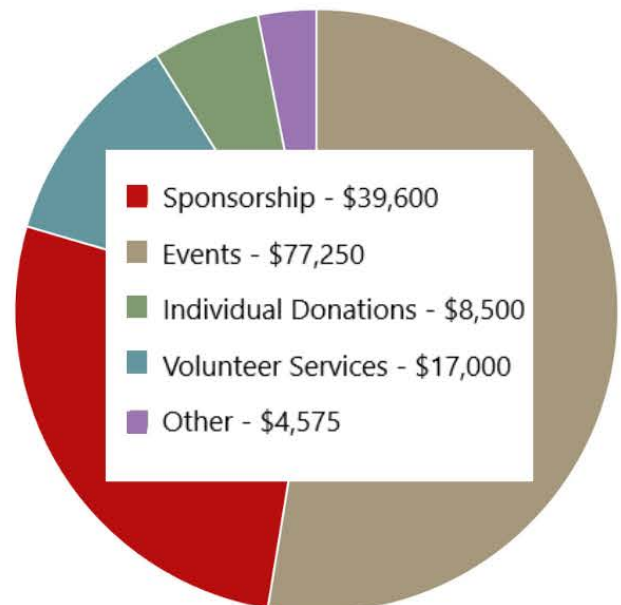

Service League awarded \$63,000 in scholarships to 26 Crystal Lake students.

"Unlike many scholarship organizations that looked mainly at a student's major academic achievements, you took the time to listen to each student's unique story. That made a huge difference and really meant a lot to me."
